Sir:

SUBSTANCE OF THE INTERVIEW

An Office Action was issued in the above-identified application on January 24, 2007.

On February 20, 2007 applicant's attorneys of record held a telephone interview with Examiner Guidotti in which applicant further explained to the Examiner the shape of their device and the differentiations between the Darrin and Killins references and their own device. In particular, applicant further described the "S-shape of the fingernail edge" of applicant's device and possible amendments to clarify the shape of the fingernail edge. The Examiner has indicated that the Examiner may need to further consider the art of record and may need to perform a further search. Based on the Interview, applicant filed an Amendment Under 37 CFR 1.121(a)

I hereby certify that this correspondence is being transmitted via the Patent Electronic Filing System (EFS) to the United States Patent and Trademark Office on the date shown below:
